

Wyoming Crop Improvement Association Southeast District Meeting

**December 3, 2008
Commerce Building
215 Main Street
Pine Bluffs, WY
9:00 a.m. to 12:00 p.m.**

1. Welcome.
2. Approval of 2008 Minutes.
3. 2009 acreage and field inspection report.
4. Field inspection comments from the now-retired Jack Cecil.
5. WSCS staffing.
6. Bulk sales certificates – seed may only be sold in bulk once (seller to planter) and retain certification status. This is a significant issue with PVP protected varieties.
7. Discussion of a Wyoming Wheat Research Foundation.
8. UW reports – Ag Experiment Station, Plant Sciences Department, Seed Lab.
9. WCIA lobbyist report, including activities and donations.
10. Foundation seed – new building and Foundation winter wheat.
11. Elections – Tim Anderson’s term on the WCIA Board of Directors is complete.
12. Annual Meeting – February 5th and 6th, 2008, in Powell.
13. Committees at Annual Meeting
 - a. Currently have Pure Seed and Seed Standards Committees
 - b. Suggest three commodity committees, those being Beans, Alfalfa, and Other Crops.
14. Other.
